## **Utah Secondary Mathematics Core (2007)**

## Using the suggested pacing guides

Utah secondary mathematics core pacing guides have been created for:

Math 7	Algebra A	Algebra 1	Algebra 2
Pre-Algebra	Algebra B	Geometry	Pre-Calculus

These guides were created by teachers, for teachers, to use as a

- 1) quick overview of each course of the Utah Secondary Mathematics Core (2007)
- suggested pacing of topics, with rough outline of time required to cover objectives within each standard
- 3) suggested ordering of topics

Solid line = direct instruction of objective

Dashed line = instruction integrated within other objectives
